

RED ROCKS BLUE

I minute and 9 seconds -

Don't know when, Colorado turned blue
Don't know Van Jones, as good as you

They say I've been untrue
And don't it make the Red Rocks blue

I won't tell you secrets, I'll tell you my lies
The beat downs in LoDo, hey – guys will be guys
I have no idea who Chinooks money buys
I'll say anything to maintain my disguise

Oh don't it make the Red Rocks
(John Hickenlooper): "Oh I . . ."
Don't it make the Red Rocks
(John Hickenlooper): "Oh I . . ."
Don't It make the Red Rocks blue
